Sign-up

Get a bragtag and a book when you register for summer reading on our Beanstack app or on paper

Reading

Get Badges of the Realm when you read 5, 10, 20, 30, 40, 50 and 60 hours

Mousebot challenges

Each week, there will be a maze for our intrepid mouse Violeta, on the weekly sheet to pick up, or on Facebook. Figure out what she needs to do to get her cheese and earn your badge. Answers will be posted the following week.

The Story of Sheldon

Each week, we'll have a question for you to answer to help tell the story of Sheldon. Write, tell or draw the answer, and earn your badge. We would love to see what you create - email me at [annie@sheldon.lib.ia.us](mailto:annie@sheldon.lib.ia.us) or drop it in our drop box.

Mythical Creature Bingo

Mythical creatures are all around our realm. Spot these creatures in windows in the area, and get a bingo!

Fairy House/Creature Den

Build a little homestead in your yard or anywhere you have permission. It could be for an adorable fairy or a ferocious chupacabra. Bonus point if it's somewhere your neighbors can enjoy it. We've got a fun book on fairy houses if you need inspiration.

Litter Patrol

Do your part to beautify the Mythic Realm of Sheldon. Pick up 5 pieces of litter to earn your badge.

Send Mail

Everyone's a little lonely these days, and getting mail is the best. Send some art to a grandparent, a poem to your neighbor, or a letter to your cousin.

Sidewalk Art

Draw something mysterious or magical on sidewalks around the Realm, at your house, around the library, or anywhere you have permission. Pick up a packet of sidewalk chalk at the library if you want.

Scavenger Hunt

Follow our scavenger hunt clues to explore the Realm on foot or by bike.

Imagine This Story

Write, draw, or record yourself telling the next installment in the Adventures of the Grand Librarian. Share them by email or dropbox.

Coat of Arms

You've seen the Royal Library's shield, now create your own. If you want guidance, pick up info at the library. Hang it in your front window, or share a photo with us.

MakerSpace boxes

While we won't meet to build and create, we will have boxes for you to take home and experiment, tinker and construct with.

Craft Programs

There will be crafts to do while you watch our videos, or to do on your own from the directions in the packet. Packets will be available for pickup one week before the program.
