

THE ADVENTURES OF THE GRAND LIBRARIAN

Each week, we will have a new chapter in the continuing saga, with a vital choice to be made at the end. Follow along, and let us know what the Librarian should do next.

WEEK 4

"Well, let's get headed to the beanstalk before Maleficent or the giant find us," the Grand Librarian pants.

"Thank you for releasing me from my prison. I didn't think anyone would ever find me up here," said Sleeping Beauty.

"I heard you cry out, so I climbed the beanstalk." Jack pointed. They rush to the beanstalk and climb down. Just then a shadow falls over them. They all shiver and look up slowly. "What is th-th-that?"

GL can't believe her eyes! "That is a UFO! What is it doing here?!"

"What is a UFO?" Jack asks shakily.

"An unidentified object," Sleeping Beauty tells him matter-of-factly. GL looks at her quizzically

"How do you know that?" GL asks.

"There's nothing to do but read when you're locked up in a house all day. I have read every book Maleficent had TWICE!" She stated proudly.

"Ahem ladies, there is still the matter at hand, the UFO." Jack points back up at the UFO hovering over them.

"Well we need to see who is flying it and what they want I suppose." GL looks up at the saucer overhead. All of a sudden a beam of light shoots down upon them and they start to feel lifted off their feet.

"I don't like this! First, I meet an angry giant, then I meet a witch, and now what?!" Jack stretches his toes down to try and meet the ground again.

"Oh hush now Jack." Sleeping Beauty reprimands him. "Some savior you are."

"Now, now. Let's settle down until we see who or what we are dealing with. No need to fuss until then." GL reassures Jack.

What should happen next?

- A. Rumpelstiltskin is driving the ship.
- B. Little green aliens are there to study them.
- C. A floating blob is there to kidnap them.
