ADVENTURES OF THE GRAND LIBRARIAN :

This year we've got our very own story! Written by our intrepid local teachers, there will be weekly installments of the Adventures of the Grand Librarian of the Realm. Read it at the library or on our website, in the Sheldon Mail-Sun, and listen on KIWA. Each week there will be a choice - vote to decide what our explorer does next, and tune in the next week to see how it turns out. You can vote on our social media, or call the library.

CREATE TOGETHER :

We won't be doing any in-person programs, but we'll have weekly activity packets that you can pick up at the library or other places around town. There will also be craft and MakerSpace programs that you can participate in. Check out the calendar, and keep your eyes on our social media.

EXPLORE THE REALM :

All around the Mythic Realm of Sheldon, there are activities that you can complete to earn Badges of the Royal Library. Just let us know what you've done, on the app or by calling, and we'll get your Badges ready for library pickup.
