

2021 Sheldon Summer Library Program

ALL PROGRAMS REQUIRE REGISTRATION. Please see our website or ask at the desk for more info.

O'Brien County Naturalist – Nature is Full of Color! Using a rainbow as our guide let's explore all the colors we can find in nature, by viewing animals and plants, creating a fun and colorful nature inspired craft, and reading a story about all the colors we find outside. Thurs, June 3, 3:00 (F)

Teen Lab: Marble Paper– Using some basic household supplies, we'll make gorgeous marbled paper. Use it for stationery, art, or decoration. Mon, June 7, 2:00 (T)

MakerSpace: Build Your World – We'll have piles of supplies, you help us build a town. House, soccer field, skyscrapers? The more colorful the better. Tues, June 8, 1 hour slots 3 - 6 (C)

Balls & Balloons Storytime – Join Ms. Jane for stories and songs, and lots of fun activities! Wed, June 9, 10:15 (P)

ISU Insect Zoo – Come see some amazing arthropods – learn all about the habitat, defenses, importance, biology and more of insects, spiders, scorpions, and more. Thurs, June 10, 20 min slots 3 – 4 (F)

Kandinsky Circles –Make art with circles. We'll work on a collaborative art project, and create individual art. What can circles be? Tree leaves, donuts, flowers, modern art? Tues, June 15, 1 hour slots 3 - 6 (C)

Animals Storytime – Listen to stories, sing some songs, and then explore animals in lots of different ways! Wed, June 16, 10:15 (P)

Darrin Crow, Storyteller –Tell Tale Tail Tales! Storyteller Darrin Crow brings us a fabulous and furry (feathery, scaly, flippery) fun flock of tales about creatures with tails! If you love critters that crawl, jump, wag, lick, and maybe breathe fire, you won't want to miss these terrific tail tales! Thurs, June 17, 3:00 (F)

Teen Lab: MakerSpace edition – build, design, explore our MakerSpace supplies with other teens. Build whatever you can imagine, while also enjoying a popcorn bar Mon, June 21, 6:00 (T)

MakerSpace: Parachutes – Have you ever built a parachute before? Give it a try. We've got all kinds of materials – let's see what you design. Tues, June 22, 1 hour slots 3 - 6 (C)

Outside Fun Storytime – After listening to a book, let's go outside and play! Come dressed to make a mess. Wed, June 23, 10:15 (P)

Absolute Science – Engage in the world of science while being very entertained. We bring some of the coolest experiments to every program and lots of FUN. Thurs, June 24, 3:00 (F)

Yarn Art – Make magic wands, wall hangings, or textured art. We've got so much yarn, and so many ideas for you. You'll never look at yarn the same way again. Tues, June 29, 1 hour slots 3 - 6 (C)

Let's Move! Storytime – Explore so many different ways of moving your body. Books, songs, and play! Wed, June 30, 10:15 (P)

Mr. Stinky Feet's Dinosaur Tale – Join Kansas City's award-winning musician, Jim "Mr. Stinky Feet" Cosgrove for a tail-wagging dance party with lots of movement and laughter that will get the whole family rockin'. Thurs, July 1, 3:00 (F)

Hula Hooping – Build your own hula hoop, and then learn to use it. Big, heavy hula hoops are easier to use, and so fun to make. Get ready to impress with your new skills! Tues, July 6, 1 hour slots 4 - 6 (C)

Carnival Games Storytime – Read and sing and games galore! Wed, July 7, 10:15 (P)

Great Plains Zoo – Join a zoo educator and their live animal friends to learn more about our world. Thurs, July 8, 3:00 (F)

Suggested ages:

F: family, all ages

P: 0 - 6 years old

C: 5 - 11 years old

T: 11 – 16 only
