

2023 Sheldon Summer Library Program

Lego Saturdays – Drop in and build with Legos. Saturdays all year, 10:30 – 1:30 (F)

Mystery Party - Join us for this misadventure of Allie in Topsy Turvy Land. It's sure to be a magical escapade with talking animals, an evil queen, a mad capper, and more! Can you solve the mystery of the missing pocket watch before time runs out? *Registration required.* Sign up for a character by calling 712-324-2442. Monday, June 5, 3:00 (T)

Bike Rodeo – Bring your bike and your helmet down to the library parking lot for tons of bike fun. Train on an obstacle course, learn to do some basic repair, and practice all kinds of bike safety skills. If you don't have a bike, bring a trike or a scooter. Monday, June 5, 5:30 (F)

Find Your Fandom! Zines Making - Zines are small “magazines” about something you love. What will yours be about? Pokémon? Horses? Spiderman? Disney Princesses? Minecraft? Come craft to your heart's desire. Tuesday, June 6, 3:00 (C)

Find Your Voice Music! Storytime - It is all about music! Listen to some instruments and then you can play some too! Wednesday, June 7, 10:15 (P)

Shape-A-Saurus ISU Camp - Dig into Dinosaurs. Thursday, June 8, 9:00-11:30, *must register with ISU Extension*

Absolute Science Stomp Rockets - Join us at the City Park to build and launch your own rocket! Thursday, June 8, 3:00 (F) at the City Park

Smash Journals - Teens, decorate your journal your way! Journals, stencils, and other supplies will be provided. Earn a badge for attending this program. Monday, June 12, 3:00 (T)

MakerSpace: Arcade! - Design and build a game. We'll make an arcade that the little kids can use for their All the Balls Storytime. Tuesday, June 13, 3:00 (C)

All the Balls Storytime - Balls of all different kinds and sizes! Come enjoy activities all having to do with balls! Wednesday, June 14, 10:15 (P)

Jonathan May - A professional magician who provides Family Friendly Entertainment for audiences of all ages and sizes, all over the Midwest. Prepare to be amazed! Wednesday, June 14, 3:00 (F)

Tiny Art & Tiny Treats - Create a tiny painting on a Post It Note, display it on our tiny museum wall, then attend the tiny opening show where you can munch and sip the tiny snacks. Monday, June 19, 3:00 (T)

KIWA Visit - Tour our local radio station and record a message to be played on air later. Use your voice to reach our community, and learn how a radio station works. Sign up and permission slips required; limited to 30 children. Tuesday, June 20, 3:00 (C)

Explore Your Senses Storytime - Come try out our sensory kit and some other fun activities that will use all your senses! Wednesday, June 21, 10:15 (P)

Will Stuck, Choose Your Own M.E.S.S. - This show will have everyone sharing their voices and working together to help Will create his usual high energy and hilarious Music, Education, Stories and Science experience. Thursday, June 22, 3:30 (F)

Sports Science ISU Camp - Throw, catch, kick, and roll in this action-packed camp. Friday, June 23, 9:00-11:30, *must register with ISU Extension*

Find Your Voice - Teens, “Find Your Voice” during this writing program which will include black-out poetry. Earn a badge for attending! Monday, June 26, 3:00 (T)
